And the complaint states that this Complaint is based on the following information:

1           1.       I, Jon Matye, am a Special Agent with the United States Forest Service and  
2 have been since September 2010. I completed Criminal Investigator Training Program in  
3 2010. I have served as a Federal law enforcement officer since 2002 and completed the  
4 Basic Academy at the Federal Law Enforcement Training Center in 2002. I have  
5 completed over 1400 hours of law-enforcement training with many hours in regards to

7 degree in Natural Resource Management from Washington State University. I am  
8 currently assigned to Regional Investigative Unit of the Pacific Northwest, United States  
9 Forest Service and I am responsible for investigating violations of federal and state law  
10 within the jurisdiction of United States Forest Service throughout Washington and  
11 Oregon.

12           2.       This affidavit is based upon my personal knowledge developed during this  
13 investigation, and upon information reported to me by other federal, state, and local law  
14 enforcement officers during the course of their official duties, all of whom I believe to be  
15 truthful and reliable.

16           3.       This affidavit is set forth for the purpose of establishing probable cause that  
17 DOUGLAS ROY WHITE, date of birth XX-XX-1957, did forcibly assault, resist,  
18 oppose, impeded, intimidate and interfere with United States Forest Service Officers  
19 Chavez and Hill, while they were engaged in their official duties on July 1, 2011 within  
20 the boundaries of Gifford Pinchot National Forest, in the Western District of Washington.  
21 Because the purpose of this affidavit is to establish probable cause, not every relevant fact  
22 known to me, or to other investigators, is included herein. Rather, only those facts  
23 necessary to establish probable cause will be discussed.

24           4.       On July 1, 2011, at approximately 1940 hours, Forest Service Officers were  
25 at the intersection of Forest Service 30 Road and Forest Service Road 3211 enforcing a  
26 road closure. The closure was marked by two identifiable outfitted law enforcement  
27 vehicles and being enforced by on duty United States Forest Service Law Enforcement  
28 Officers. During this time there was a high volume of vehicles and large number of

1 people entering into the gathering area located in the Gifford Pinchot National Forest for  
2 the beginning of the Rainbow Family Gathering. Forest Service Officers were attempting  
3 maintain control of the roadway due to the large amount of vehicle traffic coming into the  
4 area and at the same time protect the pedestrian traffic attempting to access the area.  
5 Forest Service Officer Hill observed a male later identified as DOUGLAS ROY WHITE  
6 walking down the center lane of Forest Road 30 impeding traffic by walking in front of  
7 vehicles forcing them to stop in the lane of travel. Forest Service Officer Chavez shouted  
8 an order to DOUGLAS ROY WHITE, commanding him to get out of the road and not to  
9 stop traffic. After being ordered by Officer Chavez several times to get out of the  
10 roadway DOUGLAS ROY WHITE complied and left the roadway.

11 5. A few seconds later Officer Hill again observed DOUGLAS ROY WHITE  
12 standing in the roadway stopping vehicles. Officer Chavez a second time shouted a  
13 command to DOUGLAS ROY WHITE telling him to get out of the road and not to stop  
14 vehicles. DOUGLAS ROY WHITE was seen moving from the middle of the roadway to  
15 a side of the roadway and stopping another vehicle as it approached him on the roadway.  
16 creating a public safety issue by being in the roadway during a high volume of traffic.  
17 Forest Service Officers observed DOUGLAS ROY WHITE creating a public safety issue  
18 by being in the roadway during a high volume of traffic, being a threat to himself and  
19 those in the immediate vicinity of Forest Service Road 30, and not complying with  
20 numerous commands to leave the roadway and not impede traffic.

21 6. Officers Hill and Chavez approached DOUGLAS ROY WHITE on the  
22 roadway and told him he was under arrest. As they did so each Officer grabbed an  
23 hand/arm of DOUGLAS ROY WHITE and he began to pull away. Officer Hill told  
24 DOUGLAS ROY WHITE to relax and the suspect responding, "how can I, I'm under  
25 arrest". DOUGLAS ROY WHITE continued to push and shove back with his hands  
26 wildly in an attempt to free his arms. At one point DOUGLAS ROY WHITE got his arm  
27 free from Officer Chavez and struck Officer Chavez in the mouth with an open hand and  
28 tried to turn towards the officers. Officer Chavez was able to regain control of White's

1 left arm and two officers continued to struggle to get the handcuffs on DOUGLAS ROY  
2 WHITE.

3  
4 7. As the struggle continued all three ended up on the ground and Officer Hill  
5 lost control of the right arm of DOUGLAS ROY WHITE. WHITE tucked his arm under  
6 his body and refused to comply with commands to stop resisting. Officer Hill continued  
7 to try to get a hold of WHITE'S hand when he could feel WHITE curling his feet  
8 underneath him trying to stand up. Forest Officer Rizkallah saw WHITE trying to stand  
9 and break free from the officers when she intervened and told WHITE to stop resisting.  
10 When he didn't comply with her command, she drew her taser. Officer Rizkallah took  
11 cartridge off and placed the device on the WHITE'S upper back, stated "Taser, Taser",  
12 and pulled the trigger. The device delivered a five second dry stun and Officer Hill was  
13 able to get WHITE'S right arm out from underneath him and complete the handcuffing.  
14 Once the handcuffs were secured, he was searched and his personal property given to his  
15 girlfriend. DOUGLAS ROY WHITE was transported to the Forest Service Command  
16 Post for further processing and a medical check. DOUGLAS ROY WHITE was  
17 transported to Pierce County Jail and booked on an US Marshal hold after getting  
18 approval from the US Attorneys's Office for a 48-hour hold.

19 8. Based on the above facts, I respectfully submit that there is probable cause  
20 to believe that on or about July 1, 2011, DOUGLAS ROY WHITE, a male born XX-XX-  
21 1957, did forcibly assault, resist, oppose, impeded, intimidate and interfere with United  
22 States Forest Service Officers Chavez and Hill, while they were engaged in their official  
23 duties.

24 All in violation of Title 18, United States Code, Section 111(a)
